9	2	1	Sunbeam School, Robertsganj, Sonbhadra (UP)
10	1	1	Delhi School of Excellence, Banjara Hills, Hyderabad
10	5	2	Diamond Jubilee High School, Mumbai

“Humbled and honoured to receive this recognition. Since inception, Gurukul The School (GTS) has always been a technology-driven institution with teachers and students trained to use latest IT-enabled pedagogies to enrich teaching-learning. Therefore when the Covid-19 pandemic hit India in March 2020, our teachers were fully prepared to switch to online teaching. Moreover, over the past two years we have continuously trained them in latest digital learning technologies with almost 300 hours of training sessions. GTS is also one of the first schools countrywide to introduce systemised computational coding courses integrated into class curriculums to improve students’ learning outcomes.

Whether in online, offline or hybrid instruction, GTS has integrated technology very satisfactorily” — **Sachin Vats**, founder director, **Gurukul The School Ghaziabad** (estb.2002) — 2,055 students and 162 teachers.

Social Impact

Schools were assessed for encouraging student-led community service projects, in school-sponsored, regional or international community projects.

10	2	2	GES English Medium School, Jawahar Nagar, Goregaon (West), Mumbai

“We are proud to be honoured with the Teacher-Student-Parent Engagement Award 2021-22.

Thank you for recognising the efforts of our passionate, caring and highly qualified teachers who have quickly adapted to technology-enabled digital pedagogies to maintain learning continuity of our youngest children. They have established a healthy connect between teachers, students and parents during the pandemic months that forced closure of education institutions countrywide. We are inspired to continuously innovate and upgrade our best teaching practices” --

Madhuparna Andrews, principal, PB Academic School (Pre-primary), Kolkata (350 students and 10 teachers)

Future-Ready Preschools

Newly promoted pre-primaries which have demonstrated high potential to quickly adopt and integrate 21 century best ECCE practices.

“An EducationWorld Jury award always makes us happy and proud. This recognition validates the commitment of our team to make KK-N into a progressive school. Our transformation into a future-ready school can be attributed to our research-based curriculum that encourages innovation in young learners, fosters parent-teacher engagement and equips parents with digital tools and techniques, and creates lifelong learners. At Kangaroo Kids, we are fortunate to work with progressive leadership that helped us create robust infrastructure that supports integration of technology in education” — **Sharmila Chatterjee (centre right), principal, Kangaroo Kids, Noida**
