Part A

(1Q x 10 M= 10 Marks)

1. You are the state head of your state named Ludlow in a Country named Castle. You have a Federal Form of State. A new law has been passed by the Central Government in Castle which makes the law of Homosexuality legal. Personally you are a non believer of this particular law but because the law has been passed it is your responsibility as a state head to see that the procedure for implementation of this law goes smoothly. There have been certain violent protests by the local religious communities against the passing of this law. Now as a state head how will you make sure that the Law is implemented peacefully and what necessary steps must be taken in the proper implementation of this law? Since you are a non believer, would you consider participating in the religious protests going on in the state Ludlow against the Central Government ruling the country Castle? Kindly explain with reasoning

Part B

Attempt Any Two

(2Q x 5M= 10 Marks)

2. "Political Science is an inexact Science" Kindly Elucidate with reasoning.
