## PART B

### ANSWER ALL THE QUESTIONS

(3 X 5 = 15M)

16. Christine Rosen writes in the essay, "The Myth of Multitasking," that "I multitask every single second I am online," confessed one study participant. "At this very moment I am watching TV, checking my email every two minutes, reading a newsgroup about who shot JFK, burning some music to a CD, and writing this message." Compare and contrast the above proposition with your experience or understanding on multitasking. (CO1) [Comprehension]
17. Nicholas Carr writes in her essay, "Is Google Making us Stupid," referring "the media theorist Marshall McLuhan who pointed out in the 1960s that, "media are not just passive channels of information. They supply the stuff of thought, but they also shape the process of thought. And what the Net seems to be doing is chipping away my capacity for concentration and contemplation." Compare and contrast the above proposition with your personal experience on multitasking. (CO1) [Comprehension]
18. Why is it important to rehearse a presentation before delivering it? What are the steps involved for rehearsing a presentation? (CO2) [Comprehension]

**PART C**

**ANSWER ALL THE QUESTIONS**

**(2 X 10 = 20M)**
