This year we went to Ooty for during our summer vacations. We went up the hill on a train. The hillside was beautiful, with wildflowers, tall trees, and little rushing streams. We stayed for a week or seven days in Ooty in a tourist lodge. The first day we went boating in Ooty Lake. I, too, used the oars for some time. Another day, we visited the Botanical Gardens where the annual flower show was being held. Beautiful and rare varieties of flowers. Pink and red roses. Rare varieties of fruits like Apples, Custard apples, and a variety of black grapes were on display. I went horse riding one day. We also visited the Mukurti Dam, Pykara Dam, and other dams nearby. We climbed the Doddabeta Peak which is the highest peak in the Nilgiris. We were taken around a tea garden which was more than ten acres, where we sampled their tea. The trip to Ooty was really memorable.
